

BABY COME TO ME by Regina Belle

VERSE 1:

Silver moon
Shining on my bed
Beside my pillow
Light the pathway
Bring that man
To me

Oh, ooh
Something tells me
My words are goin' straight to his heart
And ooh
Somethin' tells me
You will be all mine

CHORUS:

Baby, come to me
'Cause I love you
Thinkin' of you, oh
Baby, come to me
Gotta have you
You got it goin'
You turn me on
Baby, come to me

Oh, ooh

VERSE 2:

Know a secret
How to make you want me
How to make you love me
Whoa
Sure
As the moon above's
A friend of mine
It still makes you burn

Said, ooh, ooh
Something tells me
The fires goin' right up your spine
Whoa, ooh
Somethin' tells me
You will be all **mine**

CHORUS:

Baby, come to me
'Cause I love you
Thinkin' of you, oh
Baby, come to me
Gotta have you
You got it goin'
You're turnin' me on

INSTRUMENTAL

Oh, oh
Something's tellin' me, yeah
The fire's goin' right up your spine
And ooh, ooh
Something's tells me

Yeah
You'll be all mine

CHORUS:

Baby, come to me
'Cause I love you
Thinkin' of you
Oh, oh, yeah
Baby, come to me
Gotta have you
You got it goin'
You're turnin' me on

Baby, come to me
Sweet baby
I love you
(Sweet baby)
Oh, baby, I need you
(Said I need you)
Sweet baby
Come to me now
(Come on home to me, baby)

Baby, come to me
Sweet baby, I love you
(There's a silver moon)
Oh, baby, I need you
(Shining over you)
Sweet baby
Come to me now
(Me and you, oh)

**Baby, come to me
Sweet baby, I love you
(Oh)
Oh, baby, I need you
Sweet baby**

**Baby, come to me
Sweet baby, I love you
(Oh)
Oh, baby, I need you
Sweet baby
Come to me now
(Baby, why don't you
Come on home to me)**

**Baby, come to me
Sweet baby, I love you
(You got it goin' on)
Oh, baby, I need you
(Oh, oh, oh)
Sweet baby
Come to me now
(Baby, please
Come on home to me)**

**Baby, come to me
(Oh)
Sweet baby, I love you
Oh, baby, I need you
Sweet baby
Come to me now
(Oh, baby, come to me)**

Baby, come to me
(Oh)
Sweet baby
I love you
